Sir:

The Office Action of February 13, 2001 has been carefully reviewed and the following remarks are made in response thereto.

REMARKS

In the above identified Office Action the Examiner has not allowed a claim, indicating that claims 1, 5-11, and 30-31 have been rejected under 35 U.S.C. §112 on the basis of non-enablement. The Examiner has stated that there are no examples in the specification showing data for lowering cholesterol triglycerides and only one example for the synthesis of the ester was found. The Examiner concludes that one skilled in the art would have to perform
